

Public Hall, Lodi, California. Oct. 9, 1911.

In adjourned regular session of the Board of Trustees of the City of Lodi, the following trustees being present: J.M. Blodgett, F.C. Hale, G.E. Lawrence, C.A. Rich and L. Villinger. President Lawrence presiding.

The minutes of the meeting of October 5, 1911, were read and approved.

The following applications for Building Permits were read and granted:

E.J. Hatton, Woodshed on lot 13 block 4, E. Lodi;
J. Look, Tank House on ~~10~~ block 15, Barnhart Tract;
W.T. Moore, Dwelling on block 10, Barnhart Tract;
L.E. McClung, Church on lot 1 block 9;
J.H. Davies, Warehouse on lot 14 block 15;
J.W. Ensminger, Buggy Shed on lot 8 block 1.

In the matter of the payment for August and September power, it was moved that the warrants ordered drawn by the Board be made to read on account of power for the respective months.

On motion, the Clerk was instructed to write the Western States Gas and Electric Company that their claim for \$1250.00 for September power was disputed for the reasons among others that the claim did not set forth meter readings to show the amount of power used by the City, nor is the City satisfied that the recording instrument used by the company shows the true amount of current consumed by the City. Carried.

The Clerk reported that he could get such help as was competent in the ~~10~~ office for \$40.00 per month. The clerk was instructed to get competent help at not to exceed \$40.00 per month.

The matter of taking out the steam pump was taken, and it was moved by Trustee Rich that the engineers in charge be instructed not to move or attempt to move the steam pump until the new well is tested out and found capable of producing sufficient water for the City. Carried.

The Board adjourned.

Attest:

City Clerk.
